## GENERAL INFO

- A "Week of BLUE CHALLENGE", organized by the Center for Researches, Innovation and Entrepreneurship (I&E) of the Faculty of Maritime Studies Kotor (UoM) aims to identify, accelerate, and scale up youth-led innovative models and solutions for Blue economy concerns in order to achieve the sustainability goals.
- This event will bring together students with academic staff and stakeholders to develop conceptual solutions for sustainable Blue economy sector activities.
- Project partners, representatives of start-ups, funds that supports new ideas, and entrepreneurs will all be present at the event.
- It will feature students' competition and feedback from their supervisors.
